

Formatted for Legal-Size Paper

# Chamizal National Memorial Puzzle Game!

## Constructing the Game Piece:

(you'll need scissors)

1. Cut along the green perimeter of the puzzle.
2. Turn the paper over to the blank side and bring corners into the middle. Crease the paper along the faint gray lines. You should have four triangles meeting at the center of the paper.
3. Turn the sheet over so that the triangles are against the table surface.
4. Bring in the corners again to the center of the square and crease the paper. You should see a large, green "X" centered on the sheet.
5. Fold the square in half and insert thumbs and index fingers underneath the square pockets .
6. Using your chin, push down on the inside, center of the rectangle while gently, pushing up with your fingers.
7. Pinching and pulling your fingers in different directions will reveal the questions.

### Playing the Puzzle Game:

(for two or more players)

- Have one player pinch the four segments together using index fingers and thumbs.
- Another player will select one of the outside squares with a name or logo displayed. The first player will need to pinch and pull the piece revealing the inside questions while spelling out all, or part, of the name.
- The second player will randomly select a question to be read by the first player.
- The first player will reveal the answer after the second player provides a response.
- Correct answers receive one point. Additional points are given for each extra bit of information provided.
- Take turns asking each other questions. The one with the most points wins!
- What other rules can you come up with to play this game? Be sure to share your rules before playing with new friends.
